

# Sinead O'Connor, Up In Arms

Here we go  
Running through the fields so slow  
You always seem so incredibly real  
And I know you feel the same  
Now we know  
What we both need to know  
When all of our dreams are convincingly real  
Reality stays the same

It's all up in arms  
And some things will never change  
But I'm ok

Now my dear  
Where do we go from here  
When everything's looking so bright and so sure  
I just know I won't feel afraid  
Taking life so easy from here  
I'm here

It's all up in arms  
And some things will never change  
But I'm ok  
I'm here to stay

Taking life so easy from here  
I'm here

It's all up in arms  
And some things will never change  
But I'm ok  
I'm here to stay
