

# Sinead O'Connor, When You Love

Close your eyes,  
Leave the world behind.  
Find a place,  
Deep inside.  
Where you imagine,  
That love never dies.

In the night,  
When you reach for me.  
In your heart,  
Hear my sigh.  
Now and forever,  
Will you remember?

Chorus:  
When you love,  
You're not alone.  
The one you love,  
Is there beside you.  
Never lost,  
Or on your own.  
A gentle hand,  
Is there to guide you.

Like the sun,  
I am shining down,  
Through the veil,  
Through the clouds.  
When you can't see me,  
You must believe me.

That...  
(Chorus 4x)
