

Singella, Friend come back to me

One girl was in your own
and I wasn't trhere
Because I am here
and you must go to me

[Bridge]

Do you see

Do I need

Listen and...so!

[Chorus]

Oh friend come back to me

and girl Do you see

and too much steps I count

It you must

Two girls be in my own

and I'm not here

Because I'm there

and you must do to you

[Bridge]

DO I see

Do you need

Listen and...so!

[Chorus]
