

Singella, Turn around

I dance around

All we but I can sad

You must be and was happy

[Bridge]

Somehow it's scary thing

I was and be...

...And dance!

[Chorus]

This that turn around...

...for you

This that turn around...

...for anybody!

This that turn around...

...for anybody(now)!

I dance around

All we're got a rhythm in you

You must have it but I dance it!

[Bridge]

[Chorus]
