Sirenia, Lost In Life

A fading hope and a broken dream is all there is for me It's all there was and will ever be And I keep falling further down

We are lost in this life, you and I We've been living a lie Time keeps passing us by, but we cant deny we've been lost all the time

There's no way to cope for these wasted years nor for these long lost tears I'm giving in to all my fears as I keep falling further down
