

# Siria, I Will Believe It

It's over boy.  
Everyone can tell.  
No need to hide it from your friends.

It's sad, but it's true.  
You've got yourself to blame.  
And you (and you)  
Will never understand.  
Don't try to talk me into it again.

I will believe it when I see it,  
With my own eyes, no more lies.  
I will believe it when I receive  
The love that makes me feel alive.  
I will believe it when I see it  
With my own eyes no more lies.  
I will believe but I can't feel  
Your love so now I realize  
This is good-bye.

Let's face it boy  
It wasn't meant to be  
You and me.  
Don't you understand?  
Don't try to talk me into it again.

I will believe it when I see it,  
With my own eyes, no more lies.  
I will believe it when I receive  
The love that makes me feel alive.  
I will believe it when I see it  
With my own eyes no more lies.  
I will believe but I can't feel  
Your love so now I realize  
This is good-bye.

This is good-bye.

This is good-bye.
