Siria, I Will Believe It

It's over boy. Everyone can tell. No need to hide it from your friends.

It's sad, but it's true. You've got yourself to blame. And you (and you) Will never understand. Don't try to talk me into it again.

I will believe it when I see it,
With my own eyes, no more lies.
I will believe it when I receive
The love that makes me feel alive.
I will believe it when I see it
With my own eyes no more lies.
I will believe but I can't feel
Your love so now I realize
This is good-bye.

Let's face it boy It wasn't meant to be You and me. Don't you understand? Don't try to talk me into it again.

I will believe it when I see it, With my own eyes, no more lies. I will believe it when I receive The love that makes me feel alive. I will believe it when I see it With my own eyes no more lies. I will believe but I can't feel Your love so now I realize This is good-bye.

This is good-bye.

This is good-bye.
