

# Sisqo, 2 Nite (Interlude)

What took you so long?  
Thought you was coming right over here  
(Mmmm)  
Hold up, hold up  
(Yeah baby)  
Hold up  
(I want you to taste me)

Trying to, uh, I said, damn  
Hold up, is that what you wanted?

How can I love you tonight?  
Oh baby I know that you're not mine  
How can I love you tonight?  
I know you're not mine
