

# Sister Act, Wake Up

- performed by Valeria Andrews and Ryan Toby
- produced and arranged by Cloud N' Skies
- music and lyrics by Whoopi Goldberg, Valeria Andrews, Kevin Cloud, Roni Skies

[Valeria Andrews]

If you wanna be somebody  
If you wanna go somewhere  
You better wake up and pay attention  
Hey...

So you think you've got the answers  
To all that lies ahead  
Well, in my mind I thought the same one time  
And I hear you spouting much talk  
'Bout how you ain't being lead  
Ain't no one telling you what to do  
But attitude will catch up with you  
And keep you from your destiny

CHORUS:

If you wanna be somebody  
If you wanna go somewhere  
You better wake up and pay attention  
When the time is now or never  
To make your dreams come true  
You gotta wake up and pay attention

[Ryan Toby]

I ain't buyin' no more lyin'  
'Cause truth don't cost a thing  
Denyin' what's inside's too much to pay  
It's 'bout sweatin' without stressin'  
There ain't no other way  
You know you can't get much without much givin'  
Oh, expect from yourself and you'll respect yourself  
You control your destiny

CHORUS X 2

Time to wake up, everybody  
Time to wake up, children  
Wake up, everybody  
(ooh...)

CHORUS

If you wanna be somebody (wake up)  
Go somewhere  
Wake up and pay attention  
When the time is now or never  
To make your dreams come true  
You gotta wake up and pay attention  
[fades out]
