

Sister Hazel, Boy Next Door

Have you heard about me
Said a word about me
I'm the boy next door yeah well

Do you think about me
Or even dream about me
I bet I do more about you

[Bridge]
Cause you don't know my name
So you can't feel my pain

[Chorus]
Cause I don't need to be your superhero
I don't wanna be the boy next door either
I just wanna be more than a zero
Cause I need something more
Cause I deserve much more

Have you ever seen me
Or felt the air between me
And you as you pass me by bye
Will you ever turn and
See that I've been learnin'
Anything that will help me talk to you

[Bridge]
Cause you don't know my name
So you can't feel my pain

[Chorus]
Cause I don't need to be your superhero
I don't wanna be the boy next door either
I just wanna be more than a zero
Cause I need something more
Cause I deserve much more

I might be the only self destructive superhero
Cause I can fly
But I don't know quite how to land
Without a crash
Without a crash

Will you ever touch me
Or stop and laugh to crush me
You've seen me before
Did you notice me
From the window railin'
It's easier than failin'
I can't take much more

[Chorus]
Cause I don't need to be your superhero
I don't wanna be the boy next door either
I just wanna be more than a zero
Cause I want something more
Cause I deserve much more

[Repeat Chorus]

(Have you heard about me)
I deserve much more
(Have you heard about me)
I deserve much more

(I'm the boy next door)
I deserve much more
