

# Sister Hazel, Everybody

You are so sexy my love  
You got me trippin' over my tongue  
And I can't say what I mean but I mean it when I say  
That I fell so hard for you that it broke my heart in two  
Now I'm wrapped in black and blue  
You know I'm crazy 'bout you

Should I take a chance  
Or should I sit and wonder you

[Chorus]  
I wanna tell everybody - everybody  
That you're so much more  
Than they've ever seen before  
I wanna tell everybody - everybody  
If they touched your hand  
Then they'd never wanna let you go

Like a junkie to a rush  
I'd trade my momma for your touch  
Oh wait that might just be too much  
Well I'd do anything but that  
You are so tempting my dear  
You strip away my useless fears  
No you don't care that I'm weird  
And that's amazing

As you walk on by  
Oh I - I sit and wonder you

[Chorus]  
Spinning around like nobody's watching  
Nobody else but me  
So far beyond my imagination  
If they could only see

You are so sexy my love  
You got me trippin' over my tongue  
And I can't say what I mean but I mean it when I say -

[Chorus]  
[Chorus]
