

# Sister Hazel, Work In Progress

I am sick  
I'm annoyed  
You know I'm nasty  
And I'm incomplete  
I am angry  
I am lost  
Yeah I'm heard as stone  
I am sober  
I am worried and I'm disgusted  
I am lonely I am scared  
And It's crushing me

[Bridge]  
You say "what is worry?"  
(What is worry?)  
Yeah you say who Belong Belong Belong Belongs  
Well you say "if it matters."  
(If it matters)  
Well tell me I'm not dead  
Cause I'm goin' crazy

I'm a mess such a mess  
I'm a coward and a hypocritical sinner  
like a bitchin' politician  
But my aim is true  
I am tense and intentional  
I'm passionate to a fault  
I am open I'm a work in progress

Well tell me that I'm worried  
(Worried)  
Oh tell me I belong belong belong belong  
Tell me that I matter  
(Matter)  
Well tell me I'm not dead  
Because I'm goin' crazy

Well I'm hung up on the past  
Finished up a nice idealistic  
In case you missed it later  
A self mutilator  
Killin' time procrastinator  
Well I worry about my health  
Trippin' on myself Idealistic  
In case you missed it

[Bridge]

Well I'm a wreck  
Such a wreck  
And I'm a martyr and a perpetual loser  
Not a Sigfried Oprah Winfrey  
But I do mean well  
And I am tense and intentional  
I am passionate to a fault  
And I am open  
I'm a work in progress
