

Six Feet Under, Animal Instinct

Survival

A vicious lust for blood

I'll kill `til I die

Terrifying death

Horrifying hell

Nauseating screams

Screams that go unheard

A vicious lust for blood

I'll kill `til I die

Terrifying death

Horrifying hell

Nauseating screams

Screams that go unheard

Suffocate my soul

I'll take away your life

Commanding me to live

I sentence you to die.

You can't stop me

I'll just kill again

You'll never stop me

I'll kill until I'm dead.
