

# Six Feet Under, As I Die

Tortured - been bleeding so long, I'm hungry, for my death  
To come now, waiting - hatred  
Dreaming of life  
False hope  
Dying to live, waiting to die - alone in this world  
Nausea - sickness, a lifeless living body barely alive  
Just breathing, no feeling - none left, not for years  
Alone now, waiting to die  
Bastards  
Don't let me die this way  
Don't let me die  
Suffer in this torture - too weak to take my life  
Painful, no rest - a slow death, I can't sleep  
Fear - anticipation - indulgence in my own thoughts  
And pain - alone now, waiting to die  
Bastards  
Don't let me die this way  
Don't let me die  
Tortured - been bleeding so long, I'm hungry, for my death  
To come now, waiting - hatred  
Dreaming of life  
False hope  
Dying to live, waiting to die - alone in this world  
Nausea - sickness, a lifeless living body barely alive  
Just breathing, no feeling - none left, not for years  
Alone now, waiting to die  
Bastards  
Don't let me die this way  
Don't let me die
