Six Feet Under, As The Blade Turns

as the blade turns blood gushes forth another murder to bag and number ill kill forever until I die brutality a way of life as the blade turns as the soul burns as the blade turns within the wound another body beaten cut and stabbed ligature marks discovered after youve died coroner had a difficult time determining cause of death another one left for the infects snakes and rats as the blade turns the sould forgot nine years of death left to rot scattered dead from state to state I cut and slash as I attack a cornered victim soon to die broken bones a punctured eye into the morgue cold and dead into the morque cold and dead as the blade turns as the soul burns as the blade turns withing the wound as the blade turns you scream in pain torturing a piece of meat take out my anger take out my hate psychotic rage flows through my veins locked away inside your skin a body cut to pieces one more goes unsolied as the blade turn within the wound as the blade turns as the soul burns as the blade turns withing the wound
