

# Six Feet Under, Rock N' Roll Ain't Noise Pollution

Hey there, all you middle men  
Throw away your fancy clothes  
And while you're out there sittin' on a fence  
So get off your ass and come down here  
'Cause rock 'n' roll ain't no riddle man  
To me it makes good, good sense  
Heavy decibels are playing on my guitar  
We got vibrations coming up from the floor  
We're just listening to the rock that's giving too much noise  
Are you deaf, you wanna hear some more  
We're just talkin' about the future  
Forget about the past  
It'll always be with us  
It's never gonna die, never gonna die  
I took a look inside your bedroom door  
You looked so good lying on your bed  
Well, I asked you if you wanted any rhythm and love  
You said you wanna rock 'n' roll instead  
We're just talkin' about the future  
Forget about the past  
It'll always be with us  
It's never gonna die, never gonna die  
Rock 'n' roll ain't noise pollution  
Rock 'n' roll ain't gonna die  
Rock 'n' roll ain't no pollution  
Rock 'n' roll it will survive  
Rock 'n' roll is just rock 'n' roll
