

# Six Feet Under, The Enemy Inside

It gained control of me  
the dark side of my mind  
this hollow shell  
A body with no soul  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
With each breath I take  
I feel the pain  
It has a hold of me  
the thoughts I think  
deep within my body  
eating me from inside  
I can't control  
this other self  
The enemy, the enemy, the enemy inside of me  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
Separate from myself  
Actions without thoughts  
in constant agony  
distortion of reality  
Alternate emotions  
now come to life  
my soul asleep  
unconscious, but awake  
The enemy, the enemy, the enemy inside of me  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
Feeding on me, growing inside, this parasite  
dormant within, now it's alive, it came to life  
It gained control of me  
the dark side of my mind  
this hollow shell  
A body with no soul  
With each breath I take  
I feel the pain  
It has a hold of me  
the enemy inside
