

# Six Feet Under, Torn To The Bone

Blood on skin, so pale  
Stained and cold  
there's something I've wanted  
for so long  
the taste of flesh  
hunger for blood  
sever the skin  
torn to the bone  
fresh blood bleeds  
dripping from wounds  
veins leak  
as skin turns blue  
the taste of flesh  
hunger for blood  
sever the skin  
torn to the bone  
Bodies ripped apart  
skin begins to rot  
inject the infection  
of the dead  
Blood on skin, so pale  
stained and cold  
this is something I've wanted  
for so long  
the taste of flesh  
Hunger for blood  
Sever the skin  
torn to the bon
