

# Sixpence None the Richer, Eyes Wide Open

Eyes wide open all the time  
just like a drug store in the city  
where she walks the streets at night  
time keeps ticking like the ocean through a sieve  
ever on ever forward in a march

hallelujah  
and she's one for the money  
two for the show time to go  
back to life back to dreams  
without tears  
she's saving what she killed  
she built herself a room  
to spin around her womb

she's saying good bye bye bye  
to the world now  
she's saying good bye bye bye  
to the world now

life is heavy of  
mistakes have come to call her  
always close and dear never far behind  
floating just above the surface  
of their brains her nightmares wait  
but come again when she wakes

hallelujah  
and she's one for the money  
two for the show time to go  
back to life back to dreams  
without fears  
she's saving what she killed  
she built herself a room  
to spin around her womb

she's saying good bye bye bye  
to the world now  
she's saying good bye bye bye  
to the world now  
she's saying good bye bye  
to the world now  
she's saying good bye bye bye  
to the world now  
she's saying good bye bye  
to the world now  
she's saying good bye bye bye  
to the world now

eyes wide open all the time  
just like a drug store in the city  
where she walks the streets at night
