

Sixpence None the Richer, Need To Be Next To You

Need To Be Next To You

Written by Diane Warren

from Bounce soundtrack

I've run from these feelings for so long

telling my heart I didn't need you

pretending I was better off alone

but I know that it's just a lie

so afraid to take a chance again

so afraid of what I'd feel inside

but I need to be next to you (need to be next to you)

oh I, oh I

I need to share every breath with you (share every breath with you)

oh I, oh I

I need to know I can see you smiling each morning

look into your eyes each night

for the rest of my life

here with you, near with you

oh I

I need to be next to you

need to be next to you

right here with you is right where I belong

I'll lose my mind if I can't see you

without you there is nothing in this life

that would make life worth living for

I can't bear the thought of you not here

I can't fight what I feel anymore

'cause I need to be next to you (need to be next to you)

oh I, oh I

I need to share every breath with you (share every breath with you)

oh I, oh I

I need to know I can see you smiling each morning

look into your eyes each night

for the rest of my life

here with you, near with you

oh I

I need to be next to you

I need to have your heart next to mine

for all the time

hold you for all my life

I need to be next to you

I need to be next to you (to be next to you)

oh I, oh I

need to be, need to be next to you

share every breath with you

oh, oh I

I need to feel you in my arms, babe (oh...)

in my arms, babe (oh I...)

I need to be next to you

oh I, oh I

(oh I...)
