

# Sizzla, Anytime Now

Yayayaya Selassie is the almighty I  
Wo yow, My meditation going like a dove

Wo, stop alla keep failing  
To fulfill black people words, hey  
King Selassie I me hailing  
Anna dem go trouble poor people first

Anytime now  
babylon dem a go ge a red  
'Fraid, babylon a get 'fraid  
Anytime now  
di prisoners dem a go escape  
Slave master place a go blaze  
Anytime now  
Police dem a go get a red  
'Fraid, government a get 'fraid  
Anytime now  
Babylon, yuh must get a red  
Nuff cutchi man nuff a dem run go shave

Woi, I'd rather to be  
With the people I lead  
Give dem my daily strength  
And showing dem a dearly need  
And I'd rather to see  
more love than grief  
That's the only way di ghetto youths a go achieve  
And I rather to be  
With the people in need  
Babylon system only come yah so fi deceive  
I rather to listen a nah to word receive  
Dem a go cut di woman breast and bust di man dem seed  
Mussa perish, long time me see it  
Black people back up an yard inna di east  
Tell di Indian say fi go look fi dem chief  
Tell di white man from a Europe, go island seek  
Hey, Rastaman no got no secret a keep  
There will be a weeping an a wailing an a gnashing of teeth  
?  
Come out inna di clear, behind wall dem a peep  
Nothing fi di white man, black man nah do it  
Black woman, stop sweep di white woman street  
Di ghetto youths go study babylon technique  
A so me see say  
Vatican get defeat

Anytime now  
Babylon dem a go get a red  
'Fraid, Babylon a get 'fraid  
Anytime now  
Yah, redder fire deh go blaze  
Stop treat people like slave  
Anytime now  
Di prisoners dem a go escape  
Too long dem deh in deh yah bake  
Anytime now  
Babylon dem a go get a red  
Man haffi go repatriate

Dem make dem satellite and dem launch it a space  
Mash up di o-zone layer  
Babylon a fake  
Sun a burn redder, and it a strip dem face

Could deh dem look like all (?) weh dey bake  
Watch a make di Rastaman deal wid dem case  
Ask dem dis question before it too late  
Babylon, a why yuh dump your toxic waste  
You no see say dat yuh make a big mistake  
Now tell me who end up like bait  
Dem hold down black people  
to send white people through di gate  
Woi, Rastaman a agitate  
Revolution, caw we must repatriate

Anytime now  
Babylon dem a go get a red  
'Fraid di government get fraid  
Anytime now  
Babylon dem a go get a red  
Dem seperate we and still wan' enslave  
Anytime now  
Babylon dem a go get a red  
and Mister babylon, you nah save  
Anytime now  
Babylon dem a go get a red  
Because di prisoners dem a go escape

Di whole a dem a dis di l-ncient of days  
Got inna di Atlantic Ocean  
Gone fire dem lace  
Fi make di iceburg fi return di ice age  
Di west a go sink when di water table raise  
Babylon you stink, an yuh wan bad  
Yo no badda think di youth a tell you dis brave  
I black mother nah be your maid  
Work me black father, and dem never get paid  
Oh, babylon so much a we a come a enslave  
I build di building, di road dem we pave  
See dem now, see dem now, see dem now  
From yuh dis your own a judgement you made

[repeat 1st chorus till fade]
