Title: Give Me A Try

Artist: Sizzla

Year: 2004

Verse 1

Where do you go
Don't you need my love baby
Why can't you come out and let us play
When are you going to come my way
(ahhhh)
What sort of things they been telling you
I've got to stop them from compelling you
They just won't stop me from getting you
(ahhhhhh)

Chorus:

Give me a try
Cause I can make a difference
??????

Verse 2:

I'm going to take you right there
(love) For a life time
I'm going to make you life so clear
Girl, gonna make you mine (2x)
Spent a lifetime to make a good life
But mine just won't work
Stars in the sky, look in your eyes
That's how much you worth

I'm not stupid
I'm not a fool
So what I'm doing
I'm into school
Keep a firm grip
On what you hold
Cause it's more valuable
Than a pot of gold

I'm going to take you right there
(love) For a life time
I'm going to make you life so clear
Girl, gonna make you mine (2x)

Chorus:

Give me a try
Cause I know that we can make it
Nevermind, cause I am gonna love you
For life till death

Where do you go
Don't you need my love baby
Why can't you come out and let us play
When are you going to come my way
(ahhhh)
What sort of things they been telling you
I've got to stop them from compelling you
They just won't stop me from getting you
(ahhhhhh)

(Talking)

You know
So many experience
You gotta solve your problems

And live life to the fullest
