

Sizzla, Jah Blessing

[Sizzla:]

Yea if you know not love
and practice not love then you know
We gonna do to extension
so this one is from the Black Royal Nation
Blessed

[Luciano:]

Do I n I sing with the vibes for the injured
and the tongue of the tune dem
Without love we're nothing

[Luciano:]

The way of the system is getting uptight, Oh gosh
Say the youth get desparate and wayword to fight
Take a little stroll down the street the other night
Hear some gunshot echo and a youth losin life,
wha Jah tell them

[Luciano:]

Spread a little love and let Jah blessings go round
place your feet on higher ground
Humble as a dove and let Jah blessings touch down
And give some love to someone who is hurt

[Sizzla:]

Be humble and wise be humble and wise
speaketh the truth and not the lies, yo
Just be strong as the I, even I will help the I
Rastafari paradise

[Sizzla:]

You see Black people feel the vibes, that's them business
The pharicies and scribes come within the villages
they want to bring a dirty lifestyle on communities
I've got to peel the wicked man like oranges
I've got to lick the warrior from _
Tell them bring the marijuana smell it from window sill
Well Rastafari prevent the blood from spill
with one love from the heart, oh my whole temple fill

[Luciano:]

I know that society is fighting the truth
but it's time for I and I to teach the youth the root
Say I the Nyabinghi will reign forever, oh lord
because Jah love is the foundation on which I man stand
And that's why I say

[Luciano:]

Spread a little love and let Jah blessings go round
place your feet on higher ground
Humble as a dove and let Jah blessings touch down
And spread some love to someone who is hurt

[Sizzla:]

Well it's Sizzla, feeling so ire fire deh go blaze
love to see Black people living the lovely ways
Going 'bout dem doing dem own thing Rasta dem a praise
Now who the hell can stop the ghetto youth dem from phase
That's how I love my friends that's how I love my foe
mama say that isn't why she's _
And to my Black people they leave that open door
Rastafari never ignoor

[Luciano:]

Yea so then you
Spread a little love and let Jah blessings go round
and place your feet on higher ground
Humble as a dove and let Jah blessings touch down
And spread some love to someone who is hurt

[Sizzla:]

Ah tell dem say
Be humble and wise be humble and wise
