All those pain and sufferin

No one knows the pressure you bare a just only you

Mama I would never let you down

I'll never go away, I'll always be around

You know why you do it, such love that you found

I'm always gonna let you wear that crown

Through the roughest of times you maintain your calm

Jah was your only help While shelterin me from the storm

And when its cold you wrap me in a towel so warm

Oh ma oh ma, I'm so glad I was born

All those pain and sufferin

No one knows the pressure you bare just only you

I'm here for a purpose, I'm here to rule

Most high Jah Rastafari will see us through
