

# Skeeter Davis, Cry Me A River

Now you say you're lonely you cried the long night through  
Well you can cry me a river cry cry me a river I cried a river over you  
Now you say you're sorry for being so untrue  
Well you can cry me a river cry cry me a river I cried a river over you  
You drove me nearly drove me out of my head while you never shed a tear  
Remember I remember all that you said  
Told me love was too plebeian told me you were through with me  
And now you say you love me well just to prove you do  
Come on and cry cry me a river cry cry me a river I cried a river over you  
Come on and cry cry me a river cry cry me a river I cried a river over you
