Skeeter Davis, We Need A Lot More Of Jesus

You can read it in the morning paper hear it on the radio
Crime is sweepin' our nation this world is about to go
We need a good old case of salvation to put the love of God in our soul
We need a whole lot more of Jesus and a lot less rock and roll
We need more old time camp meetin's lots more prayers of faith
Faith that will move mountains save our souls from the burning waves
We need a good old case of salvation to put the love of God in our soul
We need a whole lot more of Jesus and a lot less rock and roll
[guitar - steel]

We need more old fashioned preachers pourin' out their hearts in prayer When you are in their presence you know that the Lord is there We need a nation-wide revival to put the love of God in our soul We need a whole lot more of Jesus and a lot less rock and roll We need a whole lot more of Jesus and a lot less rock and roll
