

# Skew Siskin, Lowside Ghetto

Born and raised into the low side ghetto  
Made to learn to run away or fight  
Travellin' through high class city for the first time  
Got to see that something's not quite right

Coming back home into the dark  
Rats deserting a sinking ship  
Hitch the wagon to a star  
Watch the water under the bridge

NO ONE EVER RECOGNIZE  
NO ONE WANTS TO KNOW  
NO ONE EVER REALIZE  
NO ONE WANTS TO SHOW

Rich and poor, winners and losers  
Black and white, saints and sinners  
Power, weakness, wrong or right  
It's all the bloody same when there ain't no light

NO ONE EVER RECOGNIZE  
NO ONE WANTS TO KNOW  
NO ONE EVER REALIZE  
NO ONE WANTS TO SHOW
