

Skew Siskin, No Solution

Don't deny my honesty 'cause I will be your destiny
Wouldn't be here if I lie, don't destroy my dignity

Getting sick of your acerbity, your accusation's eye
No energy or sympathy, you bore me like your tie

Violent hands on me, violent hands on me

Innocent, raped, sent to hell, you'll never guess how far
Deeply wounded, close to death, stolen face in a stolen car

Can't forget some people's answer, the family effect
Brought along some misunderstandings, plus: I got no respect!

NOT A LOT OPPORTUNITIES AT THE POINT OF DEATH
DISSOCIATED PERSONALITIES, A THORN IN MY FLESH
SUFFOCATE, ISOLATE, OBLITERATE, NO SOLUTION
VINDICATE, CASTIGATE, STRANGULATE, NO ESCAPE

Don't deny my honesty it's concrete on the rosery
Wouldn't be here if I lie, don't destroy my dignity

Getting sick of your acerbity, your accusation's eye
No energy or sympathy, you bore me like your tie

NOT A LOT OPPORTUNITIES AT THE POINT OF DEATH
DISSOCIATED PERSONALITIES, A THORN IN MY FLESH
SUFFOCATE, ISOLATE, OBLITERATE, NO SOLUTION
VINDICATE, CASTIGATE, STRANGULATE, NO ESCAPE
