

# Skew Siskin, Trick Or Treat

Yeah I am not brave to kill myself, I'm scared of that special moment  
Look at me and ask yourself; I doubt that you're independent

TRICK OR TREAT  
KICK OR BLEED  
I AM YOUR SISTER  
I AM WHAT YOU NEED

There ain't no love around us, no presents, not for free  
I know life ain't always easy, open eyes don't always see

Keep an eye on them, the ones who cause the pain  
I am innocent but I want to breathe again  
A risk I have to take, make my own mistakes

I'm so tired of hearing lies, every religion wants a sacrifice  
What if I die? Only hypocrites would cry  
Well mandacious temptation is a dreadful consummation

I'd try to walk upon the water, I'd fly upon the seven seas

TRICK OR TREAT  
KICK OR BLEED  
I AM YOUR SISTER  
I AM WHAT YOU NEED

Filled up with strange desire but I learned to cool it down  
Got me something to get higher, I know the place in every town

I'm no prostitute, accept no substitute  
But still got lust in me and I want to set it free  
A risk I have to take, a face I have to make

I'm so tired of hearing lies of liars who take away my pride  
What if I die? Only hypocrites would cry  
What a selfish occupation, it's a deadly consultation

Highs and lows

TRICK OR TREAT  
KICK OR BLEED  
I AM YOUR SISTER  
I AM WHAT YOU NEED

You don't know who I am, tell me why do you give a damn

TRICK OR TREAT  
KICK OR BLEED  
I AM YOUR SISTER  
AND I AM WORLD UNIQUE!
