

# Skew Siskin, Voodoo Doll

We've been apart since yesterday  
Today you've kissed another  
Made me feel like a useless junkie  
A living suicide

Sometime I wish I was a vampire  
Sucking the blood outta you  
The way you sucked outta me  
Living in misery  
Dreaming history  
Why did I let you inside me  
Vulnerability

Our breaking up is killing me  
I hate you so  
I miss you so  
I hope you die a thousand deaths  
I hope I see them all  
Watch you gasp for breath

Oh, oh oh  
I love you so  
Oh, oh oh  
I need you more

I GOT A VODDODOLL  
I GOT A MILLION PINS  
I SMILE EACH TIME  
I'LL STICK 'EM ON IN

I light some candles in the darkest church, yeah yeah  
But a gust of wind blows and does them all in  
I wish I could blow you out as easily  
Sending you right, right into eternity  
I'd sprinkle dead flowers on your grave

I'd kick your headstone over  
So everyone forgets you like you forgot me

Our breaking up is killing me  
I hate you so  
I miss you so  
I hope she uses the way you used me  
Throws you in the trash like a no deposit can

Oh, oh oh  
I love you so  
Oh, oh oh  
I need you more

I GOT A VODDODOLL  
I GOT A MILLION PINS  
I SMILE EACH TIME  
I'LL STICK 'EM ON IN

Oh, oh oh  
I love you so  
Oh, oh oh  
I need you more

I GOT A VODDODOLL  
I GOT A MILLION PINS  
I SMILE EACH TIME  
I'LL STICK 'EM ON IN
