

Skid Row, Wasted Time (Edited Version)

You and I together in our lives
Sacred ties would never fray
Then why cant I let myself tell lies
And watch you die every day

I think back to the times
When dreams were what mattered
Tough talking youth naivete

You said you never let me down
But the horse stampedes and rages
In the name of desperation

Is it all just wasted time
Can you look at yourself
When you think of what
You left behind

Is it all just wasted time
Can you live with yourself
When you think of what
You left behind

Paranoid delusions they haunt you
Wheres my friend I used to know
Hes all alone
Hes buried deep within a carcass
Searching for a soul

Can you feel me inside your heart
As its bleeding
Why cant you belive you
cant be loved

I hear you scream in agony
And the horse stampedes and rages
In the name of desperation

Is it all just wasted time
Can you look at yourself
When you think of what
You left behind

Is it all just wasted time
Can you live with yourself
When you think of what
You left behind

You said you never let me down
But the horse stampedes and rages
In the name of desperation

Is it all just wasted time
Can you look at yourself
When you think of what
You left behind

Is it all just wasted time
Can you live with yourself
When you think of what
You left behind

The sun will rise again

The earth will turn to sand
Creations colors seem to fade to grey
And youll see the sickly hands of time
Will write your final rhyme
And end a memory

I never thought youd let it get
this far, boy
