

# Skillet, Imperfection

You're worth so much  
It'll never be enough  
To see what you have to give  
How beautiful you are  
Yet seem so far from everything  
You're wanting to be  
You're wanting to be

Tears falling down again  
Tears falling down

You fall to your knees  
You beg, you plead  
Can I be somebody else  
For all the times I hate myself?  
Your failures devour your heart  
In every hour, you're drowning  
In your imperfection

You mean so much  
That heaven would touch  
The face of humankind for you  
How special you are  
Revel in your day  
You're fearfully and wonderfully made  
You're wonderfully made

Tears falling down again  
Come let the healing begin

You fall to your knees  
You beg, you plead  
Can I be somebody else  
For all the times I hate myself?  
Your failures devour your heart  
In every hour, you're drowning  
In your imperfection

You're worth so much  
So easily crushed  
Wanna be like everyone else  
No one escapes  
Every breath we take  
Dealing with our own skeletons, skeletons

You fall to your knees  
You beg, you plead  
Can I be somebody else  
For all the times I hate myself?  
Your failures devour your heart  
In every hour, you're drowning  
In your imperfection

Won't you believe, yeah  
Won't you believe, yeah  
All the things I see in you

You're not the only one  
You're not the only one  
Drowning in imperfection
