

# Skillet, Invincible

I, I'm invincible  
I'm indestructible  
It's my destiny

I, I'm invincible  
I'm unshakeable  
Through the truth in my soul

[Chorus:]  
You know you just can't kill a man when he's dead  
You know the spirit survives (invincible)  
You can't stop the advance of the Kingdom to come  
You know the truth is alive (invincible)

To be invincible  
Is unattainable  
Without sacrifice

Feel, feel the birth inside  
The life that cannot die  
Are you invincible

[CHORUS]

Invincible-Invincible

You know you can't kill a man when he's dead  
You know you can't

[CHORUS (repeat)]

You know you can't kill a man when he's dead
