

# Skillet, Say It Loud

Can't help but speak of what I've seen and heard  
I understand just what the purpose is  
Uncover peace; uncover hope for all to see  
And I can't keep quiet, gotta shout it out to You

[Chorus:]

Gotta say it loud  
Gotta say it loud  
Gotta say it loud  
Gotta shout it out  
[repeat]

Come right away to find the joy I've found  
Don't hesitate to give up everything  
Discover peace; discover hope, meaning of life  
I've got to say it, gotta shout it out to You

[CHORUS (repeat)]

Can't keep it, keep it all to myself  
Can't hold it, can't hold it down  
Can't shut it, can't shut it out  
Can't keep me silent

[CHORUS (repeat)]
