

Skillet, Say It Loud

Can't help but speak of what I've seen and heard
I understand just what the purpose is
Uncover peace; uncover hope for all to see
And I can't keep quiet, gotta shout it out to You

[Chorus:]

Gotta say it loud
Gotta say it loud
Gotta say it loud
Gotta shout it out
[repeat]

Come right away to find the joy I've found
Don't hesitate to give up everything
Discover peace; discover hope, meaning of life
I've got to say it, gotta shout it out to You

[CHORUS (repeat)]

Can't keep it, keep it all to myself
Can't hold it, can't hold it down
Can't shut it, can't shut it out
Can't keep me silent

[CHORUS (repeat)]
