

Skin, Meat

You taste what you want from me
You taste all of the gristle
From the bones I need
To stand up to you
To live up to fools
It's too troubling

Can't take what you like from me
Can't take all of the vision
That your money thieves
Don't be careless now
Just a pretty babe
A cool covering

You can't hide. No-
You can't hide the way you feel
(You're just) dead inside this meat
That you're smothering

You can't run. No-
You just stumble, crash and cry
(Without) asking questions why
It's all crumbling

Dark eyes beauties never cheap
Dark hair, dark lips maybe
That I want to cheat
(See my) sorry face
(In this) love that fails
It's all good for me

Slick baby that ain't worrying
Slick rage, strong is the ego
That I want to test
In your head of lies
Cut me down to size
It's all credible

You can't hide. No-
You can't hide the way you feel
(You're just) dead inside this meat
That you're smothering

You can't run. No-
You just stumble, crash and cry
(Without) asking questions why

Pure fear that you're falling for
These tears, thick in the sadness
That was running before
Welling up in dread
For a softer bed
I'm not worrying

You're so sane, all the lines you shed
So cool so good the picture
For those crazy hoods
Got this gun for keeps
Stick it in this meat
I'm not hurrying

You can't hide. No-
You can't hide the way you feel
(You're just) dead inside this meat

That you're smothering

You can't run. No-
You just stumble, crash and cry
(Without) asking questions why
It's all crumbling
