My friends are still the same and social anxiety You put me down Look at me now, we look the same Can't you see that it's killing me? It's not the way life's supposed to be What's wrong with my head? This pain is killing me I can't explain the way I feel inside (It doesn't matter anymore) What's worng with my head? This pain is killing me I can't explain the way I feel, the way I feel inside You put me down Look at me now, we look the same What's wong with my head?
