

Skinny Puppy, Curcible

good and evil does not exist (christ) fix the outcome overall playing into follow along
face the weak bland righteousness deliver them or kill them dead shorter now god and the
demise patience cries the burning cross confessions alter bugger faith moisten gland
insert and taste shorter now a god lies rich forced upon a sinners itch kept a box locked
in tight slaves reward reserved in spite drive across and burn incense this is the god
to save your soul water burns holy kill the faith inside of you watch the killing starts
after you accept the part to redirect your mind whisper the name all is not so black and
white
