

Skinny Puppy, T.F.W.O.

treason trapping animal hide in the vision of paradise two explains your head deranged
time spun web deluded of life wicked black witch lady localize intelligensia go write a
book to cry in face it lost that look survivals hard enough fading fire climbing higher
time to realize that im on fire patience sun the lord looks over who covers in the
watchtower freeze arm scraping inches the vein blind distracted the worshipping metal
point a scraping hole forever breaking in out temper test bottom so vile faded higher
why you liar
