

# Skinny Puppy, Tainted Love

Sometimes I feel I got to,  
Run away (run away)  
I've got to,  
Get away (get away)  
From the pain you drive through the heart of me  
The love we share, seems to go nowhere  
And I've lost my light, for I toss and turn  
I can't sleep at night

(chorus)  
Once I ran to you (I ran)  
Now I run from you,  
This tainted love you given  
Takes my tears and that's not nearly all  
Tainted Love, Tainted Love.

Now I Know I've got to  
Run Away (run away)  
I've got to  
Get away (get away)  
You don't really want anymore from me  
To make things right (things right)  
You need someone to hold you tight  
And you think I have enough to play  
But sorry I don't play that way

(chorus)  
Don't touch me please  
I can't stand the way you tease  
You hurt me so and now I'm gunna pack my things and go  
Tainted Love, Tainted Love.
