

Skrape, Waste

Punch to the face
Makes you hit the floor
Such a disgrace
And you came back for more

What do you waste
What do you score
A wicked embrace
A willful rapport

[Chorus:]
Stuck in the waste
Caught in the waste

Blood on the face
Makes you hit the floor
Such a disgrace
And you came back for more

What do you waste
What do you score
A wicked embrace
A willful rapport

[Chorus]

[break]
[Chorus twice]
[break]
[Chorus out]
