Skrewdriver, Back In Black

Back in black, hit the sack
I've been too long I'm glad to be back
Let loose, from the noose, that kept me hanging about
I keep looking at the sky 'cause it's getting me high
Forget the hearse 'cos I'll never die
I've got, 9 lives, cat's eyes
Usin' every one of them and running wild

'Cos I'm back, yeah I'm back
We'll I'm back, Yeah I'm back
Back, back
Back in black
Back in black!

Back in the back of a Cadillac
Number one with a bullet in a power pack
Now, altogether, with the gang
Gotta catch me if they want me to hang
On the track, beat the flack
Nobody's gonna get me on another rap, now
Look at a me now, making my play
Try and push your luck or get out of my way

'Cos I'm back, yeah I'm back
We'll I'm back, Yeah I'm back
Back, back
Back in black
Back in black!

'Cos I'm back, yeah I'm back
We'll I'm back, Yeah I'm back
Back, back
Back in black
Back in black!

'Cos I'm back, yeah I'm back
We'll I'm back, Yeah I'm back
Back, back
Back in black
Back in black!
