

Skrewdriver, Return To Camelot

Got a phone call, Veneto
An invitation to play a show
To Bassano, Del G
In the north of Italy.

Got a plane out to Milan
Traveled up and then the fun began
To the camp-site, in the north
Organized for a worthy cause

Saluto l'Italia, ritorno a Camelot
Thank you for the Festival of Light
Saluto l'Italia, ritorno a Camelot
Veneto Front is keeping up the fight

Met Pancho, with his banjo
Loved whistling and drinking wine
Sun was shining, sky was blue
The Alps were gleaming and we all felt fine

Saluto l'Italia, ritorno a Camelot
Thank you for the Festival of Light
Saluto l'Italia, ritorno a Camelot
Veneto Front is keeping up the fight

The Reds had screamed, and the Reds had moaned
The organizers just a'carried on
VFS for the Order New
For Europe's future we salute you!
