

Skrewdriver, This Land Is Ours.

"I feel at peace as I walk the leafy lanes,
look out over them hills, boy it looks like rain,
see the distant mountains with the storm clouds high above
this is my land, my country, and the place I love"

"We aint gonna like it if they take our land away
looks like history repeats it self agin
"We aint gonna like it if they take our land away
if they steal our heritage some bodys gonna pay"

"My father worked this land, as his father did before
theyed turn in there graves if they knew what was instore
