

Skrewdriver, White Power

I stand watch my country, going down the drain
We are all at fault now, we are all to blame
We're letting them takeover, we just let 'em come
Once we had an Empire, and now we've got a slum

(chorus)

White Power! For England!
White Power! Today
White Power! For Britain
Before it gets too late

Well we've seen a lot of riots, we just sit and scoff
We've seen a lot of muggings, and the judges let 'em off

(chorus)

Well we've gotta do something, to try and stop the rot
And the traitors that abuse us, they should all be shot

(chorus)

middle eight:

Are we gonna sit and let them come?
Have they got the White man on the run?
Multi-racial society is a mess
We ain't gonna take much more of this
What do we need?

(chorus)

Well if we don't win our battle, and all does not go well
It's apocalypse for Britain, and we'll see you all in hell

(chorus) x2
