

SKRILLEX, Don't Get Too Close (feat. Bibi Boure

Hm, hm
Do you have any idea? Hm
Anyone that has ideas, please

If I write songs in my
Garage with my friends
And sometimes it feels like
But that's how you feel
The school day won't end
And my mom hates me
She thinks I'm depressed
But I'm really happy
When I'm in the garage with my friends
Right?

Don't get too close
'Cause nobody knows me
Don't get too close
You don't even know me

I don't know what else to say, that's hard, right?
Do you have anything?

I'm on my PC
I see famous people
I think they're like me
So why aren't we equal?

Don't get too close
Nobody knows me
Don't get too close
Nobody knows me

'Cause nobody knows me
