

SKRILLEX, LEAVE ME LIKE THIS (feat. Bobby R

Into the shadow
Always break my light and
Please don't leave me like this
Stay with me 'til the night ends
(Night ends, night ends, night ends, night ends)
Please don't leave me like this

The golden boy still clippin'
Into the shadow
Always break my light and
Please don't leave me like this
Stay with me 'til the night ends

Please don't leave me like this
Stay with me 'til the night ends
Please don't leave me like this
Stay with me 'til the night ends
Please don't leave me like this
Stay with me 'til the night ends
Please don't leave me like this
Stay with me 'til the night ends

Please don't leave me like this, stay
Please don't leave me like this, stay
Please don't leave me like this, stay
Please don't leave me like this, stay
Please don't leave me, please don't leave me
Please don't leave me, please don't leave me
Please don't, please don't
Please don't, please don't
Blow down the spot for sure

Stay with me 'til the night ends
Stay with me 'til the night ends

Now that we
Wanna be reminded
Gon' let you find me
The monsters have been hidin'
Into the shadow
Always break my light and
Please don't leave me like this
Stay with me 'til the night ends

(Please don't leave me like this)
(Stay with me 'til the night ends)

Please don't leave me like this
Stay with me 'til the night ends
Please don't leave me like this
Stay with me 'til the night ends
Please don't leave me, please don't leave me
Please don't leave me, please don't leave me
Please don't, please don't
Please don't, please don't
Don't get it twisted, oh my god!

Stay with me 'til the night ends
Stay with me 'til the night ends

Stay with me 'til the night ends
