

SkulkPartitionRoot, Setting New Colors (Chaos E

They have been here for years
Theyve studied all of our fears
They know our anatomy
They know our technology
Chemically mutated
At once theres no exception
To prove our fragility
New colors propagated!

So the chaos is now
All over the place
Setting new colors for the human race!

So the chaos is now
All over the place
Setting new colors for the human...

To verify the action
And check the devastation
Cloned in every detail
Arrived in every nation
But suddently we turned
The unexpected happened
All people Vaccinated
And SkulkPartitionRooted

So the chaos is now
All over the place
Setting new colors for the human race!

So the chaos is now
All over the place
Setting new colors for the human...
