Skye Sweetnam, Everytime I Thought About Love

I'm you + me and a whole lot more our love was someth 'in that could've just sored and i'm here and i'm near you'd see me if you could oh I really wish you would there's a reason for this song it's that

Chorus Everything I thought about love everything I thought about love everything I thought about love is wrong

You x me is a whole lotta math with you I didn't need to take a bath and i'm far and i'm scarred you'd know how I feel if you really get the deal there's a reason for this song it's that

Chorus 2x

You and me we can't subtract our love was something we turned back and i'm scared and i'm tarred I love you so much our love could be a bunch there's a reason for this song there's a reason for this song there's a reason for this song it's that

Chorus 3x
