

Skylar Grey, Religion

I saw a man die the day he got out of jail,
I bought a new car and got caught in the hail,
Sometimes it feels like you got no-one on your side,
But I will be there holding you tight, yeah yeah,
Holding you tight, yeah,

When you don't know what to believe in,
Let me be your religion,
It's a fucked up world that we live in,
So let me be your religion,
Yeah.

You lost a big bet on the day you lost your job,
You got evicted you said "please help me God",
Now I don't know why when it rains it pours,
But I know one thing that you've got for sure,
Yeah yeah, you've got for sure, yeah,

When you don't know what to believe in,
Let me be your religion,
It's a fucked up world that we live in,
So let me be your religion,
Yeah.

Let me be the one you go to,
When you start to cry,
Let me be the one that holds you,
When you're asking why,
I can only imagine what you're going through, babe,
But please,

When you don't know what to believe in,
Let me be your religion,
It's a fucked up world that we live in,
So let me be your religion,
Yeah.

When you don't know what to believe in,
Let me be your religion,
It's a fucked up world that we live in,
So let me be your religion,
Yeah.
